From Narita airport to the hotel

By train
(1) Take a "Keisei（京成）Skyliner" and get off at "Nippori（日暮里）" *.
(2) Take the "(JR) Yamanote line（山手線）" in the direction of "Ikebukuro（池袋）" ** and get off at "Ikebukuro（池袋）".
(3) Take the "(Tokyo metro) Fukutoshin line（副都心線）" in the direction of "Shibuya（渋谷）" and get off at "Higashi-shinjuku（東新宿）". Do not take an "express", because it skips the station. Take a "local"
(4) Go out from Exit B2.

* There are a "Limited express" or "Access express" in Keisei line, but it is better to take a "Skyliner", since others take time or may go to different directions. You need to buy a skyliner ticket to take a Skyliner, but easily at Narita airport station.
http://www.keisei.co.jp/keisei/tetudou/skyliner/us/ae_outline/index.php
** Yamonote line is a loop line and no terminal station.

By Limousine bus
(1) Take a Limousine bus from Narita Airport to Shinjuku area and get off at "Shinjuku Station/West".
(2) Take the "(Toei) Oedo Line（都営大江戸線）" at "Shinjuku-Nishiguchi (新宿西口)" * in the direction of "Iidabashi（飯田橋）", and get off at "Higashi-shinjuku（東新宿）" (next to "Shinjuku-Nishiguchi").
(3) Go out from Exit B2.

* Note that in Shinjuku area, there are TWO stations (!) of Toei Oedo line, "Shinjku-Nishiguchi（新宿西口）" and "Shinjuku （新宿）", and furthermore, if you take the Oedo line at "Shinjuku" station, you have no other choice but transferring it at "Tochomae（都庁前）" to get to the destination (though, it is possible). Thus, it is better to find out "Shinjuku-Nishiguchi" station after getting off the Limousine bus. It may be a good idea to take taxi to the hotel after getting off the Limousine bus at "Shinjuku Station/West". (It will take, maybe, around ¥1000).
